him a guston about riegon and he
dident answer and went of mumbling
and the Captain asked him what he
said and he said that was all the
thanks he got and the Captain went
went for him and Struck him with
his fist I was aft and saw the
boat Stearsman tosling in the Captain
and I went thare and the Captain
said take holt of him and we jute
him in the irons and put him
in the run the Captain Sot down
Shortley after words to his Soper
and after Soper he was let out
again and went on duty again
we are now on the Starboard tack
